*** IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT.**

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

We're all about you

Whether you help at the library, give your time at the hospital, coach a kids' community sports team or even help with the Board of Elections, your time and efforts actively make our community a better place. And because you volunteer for a local government organization, you're eligible to join your Local Government Federal Credit Union.

LGFCU is the only statewide credit union exclusively serving local government employees and volunteers, elected and appointed officials and their families. We offer Checking, Share and Money Market accounts; auto, home and personal loans; credit cards, insurance and much more, with competitive rates and dividends.

We support North Carolina communities through scholarships, financial education and more. Join the only Credit Union as dedicated to giving back as you are!
