

Earn Bucks For Bucks

You can earn and save money to buy presents. Ask your parent what "jobs" you can do to earn money, like vacuuming or dusting, and write those jobs on the **Fat Cat Bucks** below. Then cut out the **Fat Cat Bucks** and place them somewhere safe like in a savings jar. Once the job is done, ask your parent to exchange your bucks for real-life cash. Add some to your Fat Cat account, then spend the rest on gifts!
