

# Take the 52-Week Challenge

Saving money can be easy and even fun with the 52-Week Challenge. There are no complicated rules to remember. Week 1, you save \$1. Week 2 you save \$2, and it continues through the year, adding one more dollar to each week's savings. So the biggest amount of money you ever put into your savings account at one time is \$52, and at the end of the year you've saved \$1,378! Check out the chart below, or flip to the other side to do the Challenge in reverse.
