

LEVEL UP

SMART SHOPPERS

Your children likely ask the same question on every shopping trip: “Can you buy this for me?” They often don’t understand the choices you have to make between spending money on a want or a need. Here’s your chance to help them level up to become smarter shoppers.

Change copy to read: Have your children try the 30-Day Kids' Savings Challenge to see how much money they can save in one month. Next, have them guess the price of each item in the “store” below and write it on the price tag. If they’ve been savvy savers, they can use some of their cash to make a “purchase” by coloring or circling their choice. Alternatively, they can continue to boost their savings, instead of spending!

add some color!

Answer key (listed clockwise from top left): Ice cream sundae, \$5 • Bat, ball and glove set, \$20 • Coloring book and markers set, \$3 • Scooter, \$15 • Candy, \$2

Guess which price belongs to which item in the store window and write it on the price tag: \$2, \$3, \$5, \$15, \$20.
