

# LEVEL UP

## THE VALUE OF SAVING AND EARNING

Helping your kids understand the value and sense of pride that come from earning is an important life lesson. And for teens, saving hard-earned cash can be challenging. So, challenge your kids to get in the game to make and save loot.

Do you have what it takes to hit the Elite Level? Check out the ways below you can level up to make and save money. And even think up some of your own!
