

SECU Life Immediate Fixed Annuity

The income payments you receive are based on your age, gender, the amount you pay for the SECU Life Immediate Fixed Annuity*, and the income payment option you select. **Here are some examples for different ages, genders and income payment options.**

The monthly income payments provided are for illustrative purposes only and do not constitute a recommendation. There are other factors you need to consider when choosing to purchase an annuity. The monthly income payment you receive will be dependent on several variables that are subject to change until a contract has been issued. This information is not intended to offer any tax, legal, or financial advice.
