

Let kids take the 52-Week Challenge!

Help your children make saving money fun and easy with the 52-week kids challenge. There are no hard-to-understand formulas, just simple savings. Starting with week 1, your children save \$0.25. Week 2 they save \$0.50, and the deposits continue through the year, adding one more quarter to each week's savings. So, the largest amount of money your children ever put into savings at one time is \$13. At the end of the year they've saved \$344.50! Get started today!
