KEEP IT GROWING

As an employee or volunteer with a local government parks and recreation department in North Carolina, you are eligible to join LGFCU.

To join, simply complete this form and bring it to your nearest branch. The only other requirement for membership is a \$25 deposit to open your Share (savings) Account. Your account starts earning dividends the day you sign up!

And when you open an LGFCU Checking Account, be sure to ask for your NCRPA Visa® Debit Card. Each time you use it, LGFCU will donate 50% of its share of net merchant fees directly to programs sponsored by NCRPA. Visit lgfcu.org/ncrpa for more information.
